

Golden Slide Rule Award

Awarded to **Chad Kolstad**

- Chad has long been a resource for the drinking water community not just within state government but also throughout the private sector.
- He was instrumental in MDH obtaining substantial funding for lead service line replacement projects in Minnesota from our legislature this past session.
- Chad spent many hours at the Capitol this past legislative session sharing information to help fix a public health issue in Minnesota: lead service lines.
- Chad is always willing to share his experiences and is a valued member of many national work groups.
