

## Erik DeSmith

*A senior at University of Minnesota Duluth  
Civil Engineering  
Son of Steven DeSmith*

*"Thank you MGEC for awarding me the 2023 MGEC Family Member scholarship! I am very grateful to receive this award. I won't have to be as stressed about paying for school this year. It will allow me to focus on my studies and allow me to prepare for entering the workforce after I graduate this spring from the University of Minnesota Duluth. Thank you MGEC and members!!." Erik DeSmith*

## Joseph Stam

*A senior at the Minnesota State University, Mankato  
Integrated Engineering/Twin Cities Engineering  
Son of Yancy Joe Stam*

*"I am honored to have been chosen as a recipient of this scholarship. For me this is not just an aid in paying for my college tuition but a validation for the hard work I've put into my schooling career. It shows in spite of the struggles it has taken me to get to this point, possible future colleagues see the work I've put in so far and my potential to be a successful engineer. I hope this is the first of many highlights in my final year of college." Joey Stam*

## Julian Klemann

*A junior at University of Minnesota Twin Cities  
Bachelor of Science in Computer Engineering  
Son of Elizabeth Klemann*

*"Thank you for your generosity. It really means a lot to me and it will make a noticeable dent into my costs as I enter my junior year of my Computer Engineering program at the University of Minnesota." Julian Klemann*
