Why are you running for an MGEC office?

I would like to be more active in MGEC and be a part of making things better for all MGEC members. Prior to coming to MnDOT I worked in the private sector for 14 years, so I can bring additional perspective to bargaining discussions.

Additional information you want to share with members:

I've been married for 11 years, have 2 kids (10 & 8), 3 cats, and 1 dog! My wife also works for the State. I enjoy my time outside of work spending time with my family, building LEGO sets, playing video games, and watching movies.
