---------------------------------------	----	------------------------------------	----

Why are you running for an MGEC office?

I learned much during my past terms on the MGEC Board and as a member of the Negotiating and Membership Committees. I was happy to serve and would be pleased to do so again.

Additional information you want to share with members:

*I was previously a full member of MAPE while with MnDOT from 2001-2003. I was also a full member of IUE Local 1140 from 1987 to 1994.
